

# FAU'S CHRISTINE E. LYNN COLLEGE OF NURSING: CHANGING LIVES

FAU's Christine E. Lynn College of Nursing attracts many of Florida's and the nation's top nursing students. The College's bachelor's, master's, DNP and PhD degree programs are at the cutting-edge of nursing education. Curriculum and coursework are provided by leading faculty through sophisticated simulation technologies and informed by the latest research in the field of nursing. Students are given many opportunities for clinical experiences made available through partnerships with hospitals, clinics and other healthcare systems.

As we strive to provide the highest quality educational offerings for our students, your gift toward student scholarships is critical to support our top nursing students and secure our community's future as home to the best and brightest in nursing. Your gift supports future nurses as they prepare to provide compassionate care to patients, families and communities. ■

### In Memoriam:

We mourn the loss of **Bobby Campbell**, a leader in business, education and a champion for children. True friends to FAU, the Campbells have supported the annual Keep Memories Alive Walk, benefitting the Louis and Anne Green Memory & Wellness Center (MWC) at FAU's College of Nursing, through donations and a large team of walkers for many years. They also gave to the MWC's Caring Hearts Auxiliary. Bobby received an honorary doctorate in 2017 for his dedication to FAU students, as well as his outstanding achievements in his field.

**Kay Carpenter**, nurse and advocate for student nurses, passed away on March 18, 2020. She will be remembered for her joy, compassion, strength, and generosity. Her legacy lives on through the student nurses she supported and inspired. In 2018, Kay established the "Kay Carpenter Nursing Scholarship" in FAU's College of Nursing. Per the family's request, donations may be made to this fund in her memory.
