

IT Newsletter - Fall 2021

Jony Singh

Executive Director, Health
Information Technology

Welcome to Information Technology at the College of Nursing! The resources within our [website](#) will lead you to a wide array of technological services that we have made available to support teaching, learning, research and administration at College of Nursing.

Information Technology strives to support ubiquitous, integrated, and fully engaging learning experiences. We take a proactive and collaborative approach to deliver innovative, reliable, and sustainable technologies that optimize satisfaction and desired outcomes.

The Do's and The Don'ts When Returning To Work this Semester

The Do's

Report Suspicious Emails to Jony Singh (jsingh@health.fau.edu)

Update your Passwords Regularly

Ensure Two-Factor is enabled and setup

Always use [safe] when sending sensitive content via email

Be Sure to keep your devices up to date

The Don'ts

Don't click on Suspicious Links or Emails

Don't share your password with others

Don't forward your FAU email to a personal email account

Don't use simple or easy to guess passwords

Don't connect to unsecured networks with your devices

PHISHING Scams

As a gentle reminder, please do not click on any links and do NOT respond to any request such as these -

From: John Kelly <presidentdirectory888@gmail.com>

Sent: Friday, February 21, 2020 10:37 AM

Subject: Quick Response

Available?

Always pay attention to the actual email address and not just the name. Scammers use the name of VIPs at FAU to contact you in trying to get credit card numbers, purchase gift cards, verify pass or any other sensitive information. **Especially be wary if it comes from the President, Provost, [Dean](#) and Associate/Assistant Dean. Etc.**

Please **ALWAYS** check with me first if you see anything of this nature.

Hurricane/Storm Prep

As a reminder, that it is a safety hazard to leave your computers plugged in during a storm.

Please remember to closely follow notices sent via email from FAU Department of Emergency Management <https://www.fau.edu/emergency> & <https://www.fau.edu/advisory/>.

Video instructions on how to wrap/unwrap computers are posted here - <https://nit.fau.edu/it/hurricane>

Please let me know if you have any questions or comments at jsingh@health.fau.edu

Nursing Chatbot

The Nursing chatbot has been launched on the College of Nursing website (bottom right corner - also mobile optimized).

It is intended to provide quick automated information to faculty, staff and students.

At your convenience, please review and share any feedback/comment with me at jsingh@health.fau.edu
