Founded in 2003 as the community advocacy and fundraising arm of the Louis and Anne Green Memory and Wellness Center of the Christine E. Lynn College of Nursing, the Caring Hearts Auxiliary supports, promotes, and raises funds for the programs of the Center through community-based fundraising activities, such as the annual Keep Memories Alive Walk at the Boca Town Center. Funds raised support Day Center scholarships and caregiver support programs.

Fall 2019, the Caring Hearts Auxiliary held their 14th annual Keep Memories Alive Walk, raising over \$200,000. More than 400 people gathered to support the Memory and Wellness Center.

In addition to the annual Walk fundraiser, The Caring Hearts Auxiliary raises funds for the “Share Your Caring Heart” campaign. The Auxiliary is very grateful for and appreciative of the caring community who helps provide much-needed funds to the Louis and Anne Green Memory and Wellness Center.

The Caring Hearts Auxiliary continues its commitment to support those in need of comprehensive memory and wellness care. ■
