IT Newsletter - Fall 2021

Welcome BACK!

Jony Singh
Executive Director, Health Information Technology

Welcome to Information Technology at the College of Nursing! The resources within our website will lead you to a wide array of technological services that we have made available to support teaching, learning, research and administration at College of Nursing.

Information Technology strives to support ubiquitous, integrated, and fully engaging learning experiences. We take a proactive and collaborative approach to deliver innovative, reliable, and sustainable technologies that optimize satisfaction and desired outcomes.

The Do's and The Don'ts
When Returning To Work this Semester

The Do's

- Passwords should include uppercase, numbers and symbols
- Update your Passwords Regularly
- Ensure Two-Factor is enabled and setup
- Log-out after each online session
- Be Sure to keep your devices up to date

The Don'ts

- Don't click on Suspicious Links or Emails
- Don't share your password with others
- Don't use the same password for multiple accounts
- Don't use simple or easy to guess passwords
- Don't connect to unsecured networks with your devices

Telehealth Certificate Course

Dear Student,

The College of Nursing is offering the Telehealth certificate course to current FAU Nursing students at a discounted rate of $247.50. (**50% off**). Only a limited number of spots are available at this rate.

Use code **NURSE50** to take advantage of this offer.
Z number will be required to confirm current student status.
*some exceptions may apply.

Course Launch Date: September 13, 2021
Course Deadline to Register: September 12, 2021

Please visit this website for more information.

Office 365

FAU is now participating in Microsoft's Advantage program which provides the latest full versions of Microsoft Office to every student, faculty and staff member free of charge.

As long as you are a student, a faculty, or a staff at FAU, you'll be able to use this software for free on your personal computers.

Please visit this link to learn more.

Office 365

Nursing Chatbot

The Nursing chatbot has been launched on the College of Nursing website (bottom right corner - also mobile optimized).

It is intended to provide quick automated information to faculty, staff and students.

At your convenience, please review and share any feedback/comment with me at jsingh@health.fau.edu

Nursing Computer Lab

In the College of Nursing building, we recently revamped our computer lab with the latest state of the art computers. This computer lab is located on the second floor in room 208.

In order to log into the computers, please use your FAU NetID and Password to sign in.

Also located in the computer lab is a Toshiba copier for student use that has a pay to print service.

For further assistance, please reach out to the IT Department
by emailing (nurhelp@health.fau.edu) or Jony Singh (jsingh@health.fau.edu)

From all of us at College of Nursing IT, Welcome Back!
